

## CORRIGENDUM

# Corrigendum to 'Why PGT-A, most likely, improves IVF success' Reproductive BioMedicine Online Volume 45, Issue 4, (2022) 633-637

Darren K. Griffin\*

**T**he author regrets that, on page 634, the outcome measure of the RCT by Yan et al. (2021) was given as cumulative pregnancy rate, rather than cumulative live birth rate.  
The author apologises for any inconvenience caused.
